Ideology – Self – 100 point scale	v3042	2006	Pre	[Scale 0-100]	One way that people talk about politics in the United States is in terms of left, right, and center, or liberal, conservative, and moderate. We would like to know how you view the parties and candidates using these terms. The scale below represents the ideological spectrum from very liberal (0) to very conservative (100). The most centrist American is exactly at the middle (50). Where would you place yourself? If you are not sure, or don't know, please check here:
